**R2PRIS** Radicalisation Prevention in Prisons

# Partnership

**About R2PRIS**

- Enhance the competences of frontline staff to identify, report and interpret signals of radicalisation

- Develop an innovative training programme to recognize and prevent the process of radicalisation inside prisons
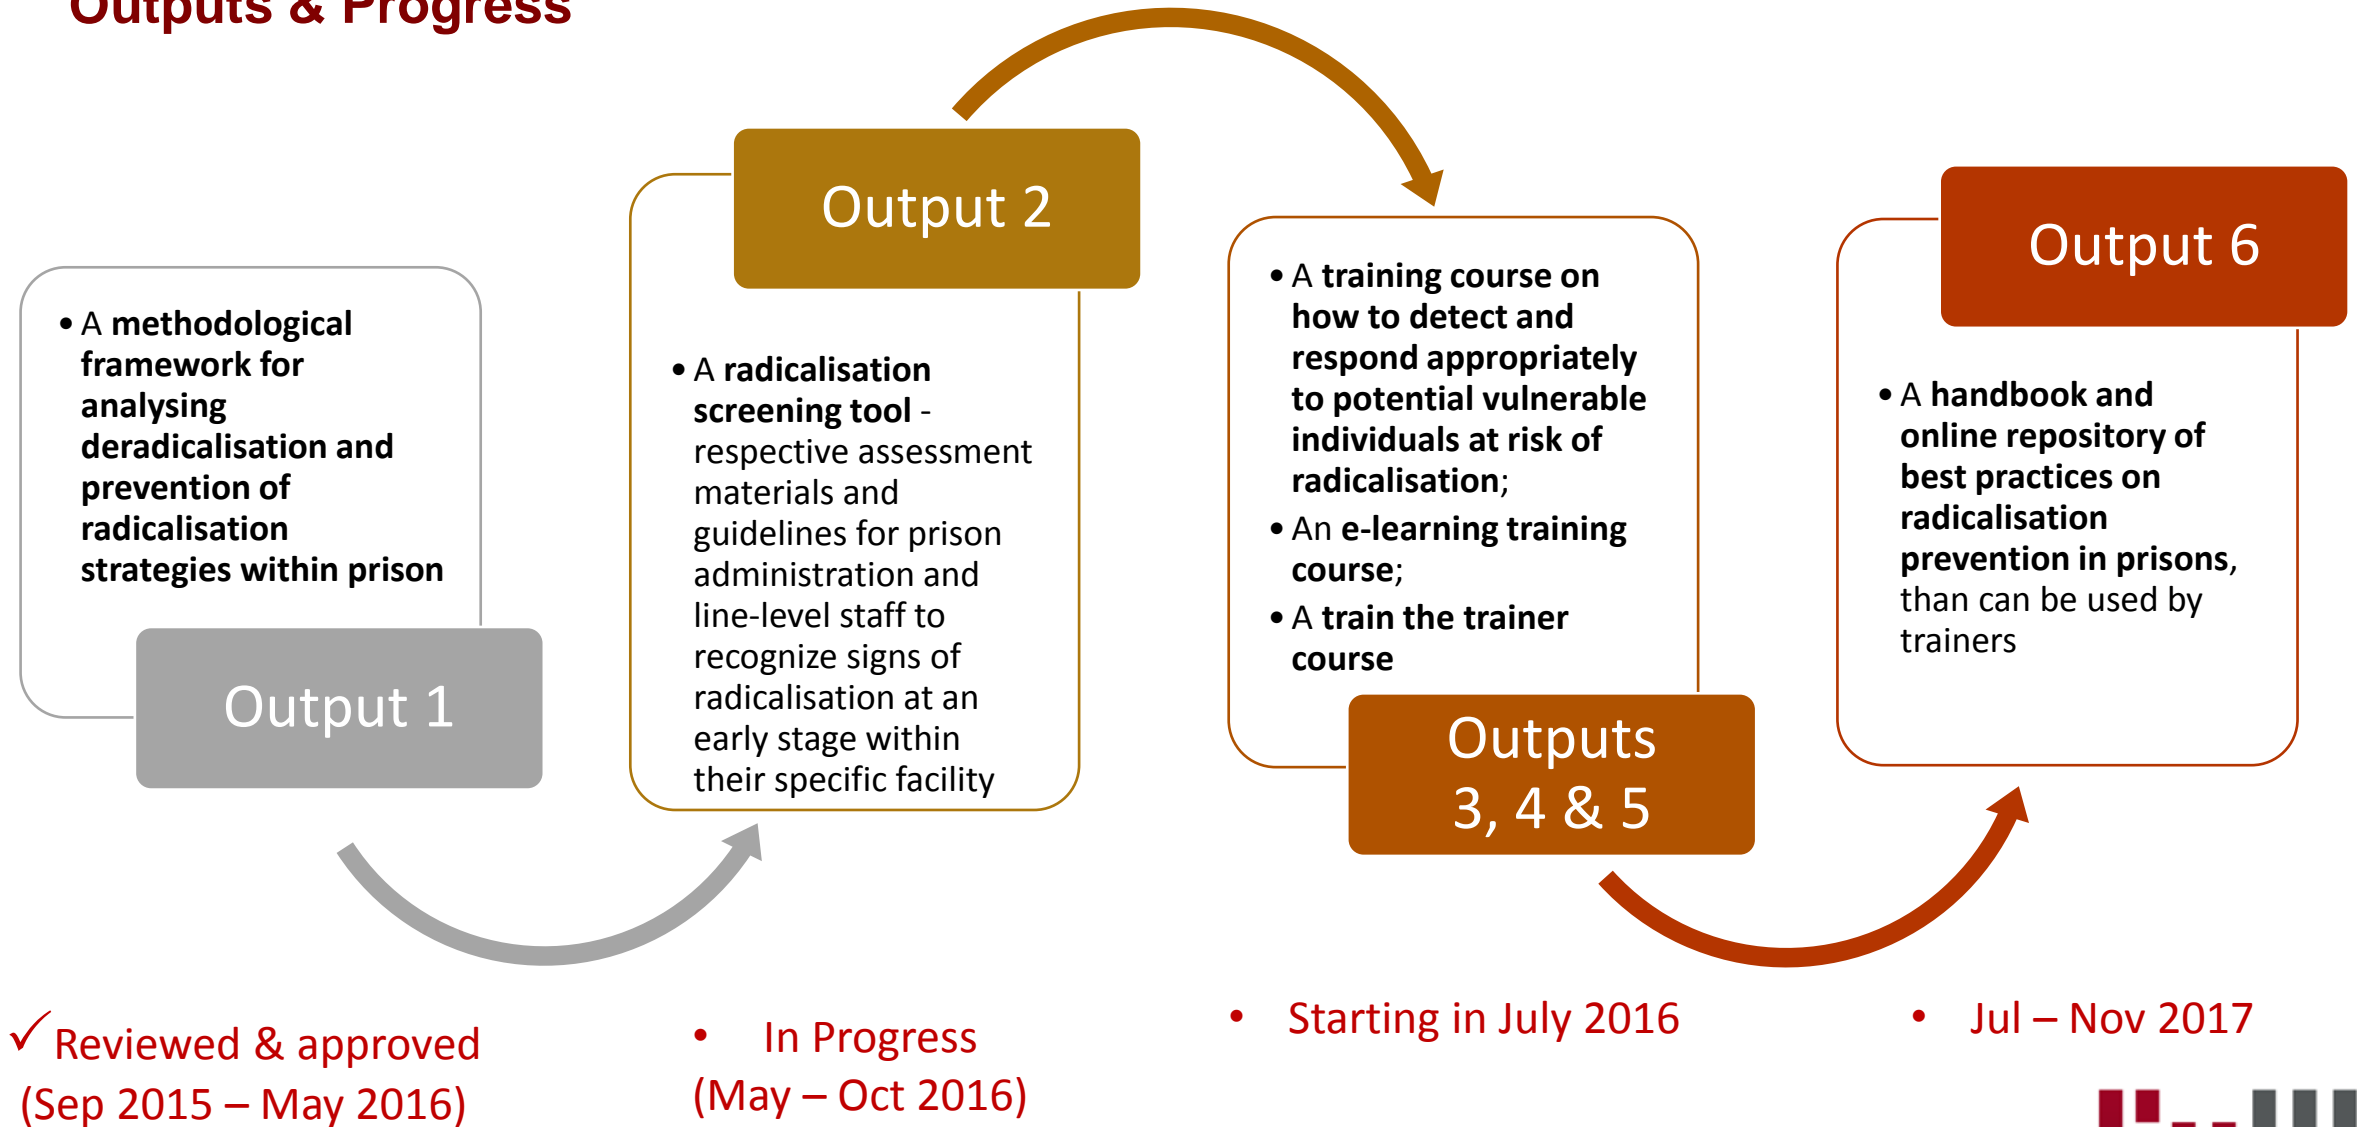

**Objectives**

**Create awareness and understanding on:**

a.    why prisons are a breeding grounds for radicalisation;

b.    the difference between conversion, radicalisation and moving to extremist views (terminology);

c.    the pathways and levels of radicalisation, role in the network;

d.    recruitment tactics employed within the prison environment; and

e.    indicators on how to identify vulnerable people at risk of radicalisation;

R2PRIS Radicalisation Prevention in Prisons

- **Develop the tools to recognize signs of radicalisation at an early stage**

- **Provide instruments to help staff report their observations to the appropriate intelligence staff**

- **Establish a series of training programmes to respond to individuals at risk of radicalisation**

R2PRIS Radicalisation Prevention in Prisons

# Outputs & Progress

**Output 1**

- A **methodological framework for analysing deradicalisation and prevention of radicalisation strategies within prison**

**Output 2**

- A **radicalisation screening tool** - respective assessment materials and guidelines for prison administration and line-level staff to recognize signs of radicalisation at an early stage within their specific facility

**Outputs 3, 4 & 5**

- A **training course on how to detect and respond appropriately to potential vulnerable individuals at risk of radicalisation**;
- An **e-learning training course**;
- A **train the trainer course**

**Output 6**

- A **handbook and online repository of best practices on radicalisation prevention in prisons**, than can be used by trainers

- ✓ Reviewed & approved (Sep 2015 – May 2016)

- • In Progress (May – Oct 2016)

- • Starting in July 2016

- • Jul – Nov 2017
