The NHC & the EPTA network

Project: Tackling gaps in cross-border cooperation for penitentiary training academies

Start: May 2018

Project evaluation 2020:

- KEQ1: How do stakeholders perceive collaboration in the project group?
- KEQ2: How do stakeholders perceive the functioning of the network?
- KEQ3: To what extent do stakeholders consider the network to have an added value?
- KEQ4: To what extent is the project achieving its intended results?

Innovating Together

Project: Innovating Together – Connecting European penitentiary training academies

Start: July 2021

Partners:

- Netherlands Helsinki Committee
- EuroPris
- Ecole Nationale d'Administration Penitentiaire, France
- Scoala Nationala de Pregatire a Agentilor de Penitenciariare Tirgu Ocna, Romania
- General Directorate Execution of Sentences, Bulgaria
- Department of Justice and Equality, Ireland

Innovating Together

New project focus:

- Stronger and sustainable network
- In-depth information sharing
- Participation and exchange
- National Training Academies
- Innovative tools
- Keep track of new developments
- Mutual learning
- High quality trainings

Innovating Together

Project meetings

External mid and end evaluation

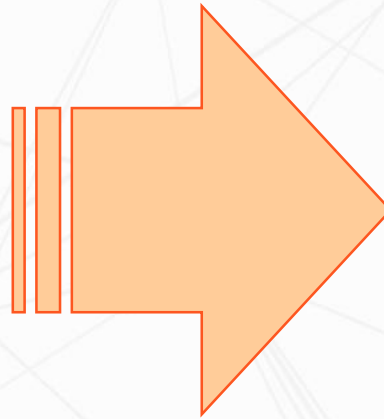

Further development of communication tools

Three annual conferences

Crisis management workshop and innovative training methods

Three cross border training staff exchanges

Meeting between EPTA and other staff training institutions such as the Confederation of European Probation

- 1) Improve communication between EPTA members
- 2) Stimulate professional exchange and cooperation between training academies on a European level
- 3) Address three specific needs identified by the training academies through tailor-made work sessions

Special Interest Groups

Introducing the EPTA Special Interest Groups 2020
