

# Inservice training

Kaarel Kraus  
Gerli Lehtlaan

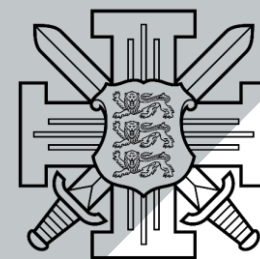

Reaching 2 goals at once:  
maintaining valuable  
workforce at prison while  
providing them good  
education.

Is it even possible?  
How to make it possible?

# Communication between the employer, the school and the student

**SISEKAITSEAKADEEMIA**

The employer wants  
students to work, the  
school wants them to study

**SISEKAITSEAKADEEMIA**

Different teachers,  
different outcome

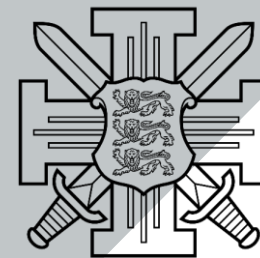

**SISEKAITSEAKADEEMIA**

All the studying methods  
don't work – what's the  
best method?

**SISEKAITSEAKADEEMIA**

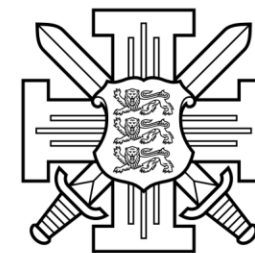

The study format doesn't  
suit the student at all

THANK YOU!
